THE CHANCELLOR'S OFFICE  
MCMASTER UNIVERSITY  
TORONTO

March 5th, 1915.

President Falconer,  
University of Toronto,  
Toronto.

Dear Mr. President:-

Your communication respecting credit for O.T.C. work came to hand. I have asked the Dean in Arts to consult with the Instructor about the course and report. You can count on our supporting you in any reasonable proposition. I suppose that it is the intention of your Senate to put all the Pass subjects on a par. Is it your thought to get this credit recognized by the Department of Education for this year only, or do you intend to make it a permanent arrangement?

I expect to be out of the city until 11 a.m. Tuesday. As the adjustment of Professor Mueller's work will affect our arrangements, I would be glad to know what you intend to do about it as soon as possible. No doubt your appointments are more numerous than mine, and if it is not convenient to have a consultation in my office I would be glad to adjust my appointments to suit your convenience and consult with you at your office. Any information on this point may be phoned to my Secretary.

Yours truly,

*Alb. M. Trimmen*
